Hiring Manager

Wayspire Ed-tech Private Limited

Dear Hiring Manager,

I am excited to apply for the **Business Development Associate** position at Wayspire Ed-tech Private Limited. With a background in data analysis, programming, and strong leadership experience, I am eager to contribute to your dynamic team and support Wayspire in expanding its impact in the education technology sector.

As a final-year student at the National Institute of Technology, Agartala, pursuing a Bachelor of Technology in Chemical Engineering with a CGPA of 8.53, I have developed a diverse skill set that equips me to thrive in business development. My technical expertise in **data analysis tools** like SQL and Power BI, combined with my understanding of sales and customer behavior from projects such as the **Classic Model Analysis** and **Pizza Sales Analysis**, enables me to analyze market trends, develop strategies, and identify growth opportunities effectively.

Through my extracurricular involvement, including **leading the techfest team** and successfully organizing events such as **Teachers' Day**, I have honed my communication, project management, and teamwork skills. These experiences, along with my dedication to continuous learning, make me confident in my ability to contribute to the strategic growth and success of Wayspire.

I am particularly drawn to this role because of Wayspire's innovative approach to transforming education through technology. I am excited about the prospect of utilizing my skills in data-driven decision-making, relationship building, and market analysis to help Wayspire achieve its business goals while positively impacting the education sector.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passion align with the needs of your team.

Sincerely,

**Satyendra Jangid**
